Hi,
I've had serious injuries on my spine one on neck and one on tailbone that have given me trouble for 7 years. Now, I came here to Freedom Chiropractic in Copperas Cove just to see what it's all about. I was impressed and signed up for a 36 month visit plan. I am currently at the halfway point and am glad to be getting results such as neck and back problems going away. I would advise anyone with back, neck, spine related issues to come and give them a try to see for themselves.

I hereby give my permission for all or any part of the above statements to be reproduced with or without my name and/or photograph, and to be used in the interest of telling others about the benefits of chiropractic care.
